You are invited to the International Symposium of Local Authorities and Migration Management!

The “Grant Scheme for Town Twinning Action between Turkey and EU” having the Central Finance and Contracts Unit as its contracting authority and being supported under IPA II - Instrument for Pre-Accession is being conducted by the Ministry of Foreign Affairs Department of European Union Affairs.

Izmir has been twinned with the city of Ripalimosani located in the Molise Region of Italy within the scope of our project with 12 months term prepared by our Governorship. The partners of our project are the Municipality of Ripalimosani, A.R.E.S. Scarl. and the Association of World Doctors from Turkey.

The general purpose of our project is to empower the local authorities in the management of migration through town twinning and to develop relationships through the transfer of good practices.

It is aimed “to help improving migration management policies of the local authorities through town twinning and to empower the relationships by sharing good practices” within the scope of “Together, Stronger” Project being conducted by the Governorship of Izmir and entitled to be supported by European Union and the Republic of Turkey by being selected amongst many projects within the scope of Town Twinning Program Between Turkey and European Union. The International Symposium and Workshop for “Local Authorities and Migration Management” within the context of the project will be conducted in Balçova Termal Otel in October 3rd-4th, 2019 and the opening speech of the symposium that representatives of institution and organizations being active in fields such as “migration, migration management, town twinning” will be made by Uğur Kolsuz, Deputy Governor of Izmir. The program that Ceyah Çiçek, Izmir Representative of Directorate of EU of Ministry of Foreign Affairs, is also taking place among the speakers brings attendants of many different institutions/organizations such as public employees, academicians and NGO members. Annamari Trivosono, Deputy Mayor of Ripalimosani/Italy, and Laura Batalla Adam, Secretary-General of EU Parliament EU-Turkey Forum, will also contribute with their presentations within the context of the program where local and EU policies on “migration management and social adaptation” will be discussed basically.

We would be pleased to see you press members among us in our Symposium and Workshop, the program details of which are given below.
